

# Hartford Magnet Trinity College Academy 2016/2017

## Calendar Notes:

- Dark gray shading indicates “no school” days.
- No shading means it is a regular school day.
- Light gray shading indicates an early release day.
- On a regular school day a student typically has four classes: one Encore (MS) or Elective (HS) class and three Core classes.
- The “color” of the day (Gold, Blue, or White) refers to the three different Encore classes in which every 6, 7, and 8<sup>th</sup> grader is enrolled.
- The three letters (ABC, DEA, etc.) refer to the three Core classes every 6, 7, and 8<sup>th</sup> grader has every day.
- For example, “Blue BCD” means that the student meets with his or her Blue Encore class and his or her B, C, and D Core classes that day. The A and E block classes would not meet on that day.
- The high school Core schedule is the same every day. The ① or ② indicates which high school Elective class meets that day.
- The classes missed on a snow day are simply cancelled. The class rotation continues as written.
- In January and again in May there is an Exam Week. Many classes, especially in the 8<sup>th</sup> grade and in high school, schedule important cumulative exams during those weeks and so the school avoids scheduling other events during those times.
- Please be aware that there can be some differences between the HMTCA calendar and the Hartford Public Schools calendar.
- Some of the events in May & June 2017 are only scheduled tentatively until we know how many snow days we get this year.
