

Hartford Magnet Trinity College Academy 2017/2018

Calendar Notes:

- Dark gray shading indicates “no school” days.
- No shading means it is a regular school day.
- Light gray shading indicates an early release day.
- On a regular school day a middle school student typically has four classes: one Encore and three Core classes.
- The “color” of the day (Gold, Blue, or White) refers to the three different Encore classes in which every 6, 7, and 8th grader is enrolled.
- The three letters (ABC, DEA, etc.) refer to the three Core classes every 6, 7, and 8th grader has every day.
- For example, “Blue BCD” means that the student meets with his or her Blue Encore class and his or her B, C, and D Core classes that day. The A and E block classes would not meet on that day.
- The high school schedule varies. Some classes meet every day. Some meet every other day. The ① or ② indicates which day.
- The classes missed on a snow day are simply cancelled. The class rotation continues as written.
- In January and again in May there is an Exam Week. Many classes, especially in the 8th grade and in high school, schedule important cumulative exams during those weeks and so the school avoids scheduling other events during those times.
- Please be aware that there can be some differences between the HMTCA calendar and the Hartford Public Schools calendar.
- Some of the events in May & June 2018 are only scheduled tentatively until we know how many snow days we get this year.
