

Sixth Grade “Focus on Learning” Activities

It is important that while we are at home over the next few weeks we remain focused on the learning that started in school and can continue at home. Each day you should set aside time to work on what is described below for each of your classes. You will have plenty of time to complete these tasks that will be checked and graded upon our return. If you need to pick up copies of any of the items listed below there will be copies available in the middle school office, provided the school is open.

Math-

1. If you are in D or E, you should be finishing up your projects. They are due upon return.
2. Finish working on your Interim Review Packet for the Algebra Unit.
3. Complete the new packet that you are receiving today. This also reviews the material and will keep you on track for when we return and take the Interim Assessments.
4. Check out Embarc.online to access videos and tutorials for topics you are looking to review. In addition there are exit tickets that can be used for practice. You will need to click on Grade 6, Module 4 which is located at the top of the webpage.
5. Should you need anything, you can easily email me – schws002@hartfordschools.org

Reading-

1. Everyone should leave school with an A.I.R. book
 - a. Read 30 minutes every day and log your reading on the reading log. You can get additional logs from Mrs. LaRosa
 - b. Jot something in the notes about events, characters, setting, a surprise, a prediction ect.
2. Complete your Dodecahedron Book Report Project
 - a. All 12 circles should be neatly completed with beautiful color and explanation
3. Complete your 8 slide presentation on your technology research project. You can log into OneDrive on Office 365 or Google Slides to complete your research.
 - a. Search Office 365 Login
 - i. Enter your email Studentnumber@students.hartfordschools.org

ii. Password: this is eight numbers: Year of birth two digit month two digit day: Example: 20080227

b. Search Gmail and use the same email and password as explained above

4. You can email me at laroj001@hartfordschools.org with any questions.

Writing-

1. Finish your expository essays. Use your notes and models. If you have access to a computer, type the completed essay, otherwise it should be neatly hand-written on white lined paper.
2. You can email me with any questions at brane001@hartfordschools.org

Science-

1. Finish your invasive species project and share it with me. Instructions for how to do that will be given out today.
2. Complete “Family homework”, vocabulary chart for the current unit and the food web worksheets given in class.
3. You can email me with questions or for electronic copies of the above items at elizabeth.gustafson@hartfordschools.org

Social Studies-

1. Finish your city-state projects if you have not done so yet.
2. This is a good opportunity to complete any missing assignments in your Egypt packet that you can complete at home
3. If you have internet access check out the Egypt unit on my website at <https://sites.google.com/view/roartysocialstudies/unit-4-ancient-egypt>
4. You can email me with any questions at Timothy.roarty@hartfordschools.org

WE LOOK FORWARD TO SEEING YOU SOON!!!
